Dear Mr. Volkan Bicer. Sometimes ago I ever dealt with you on JP54 ex FOB Rotterdam. My End Seller has sent CI and PPOP documents to you but no response from you. I also sent you emails but no response at all from you. Your man Mr. Oezay Imer then sent the CI to another Buyer and the Buyer signed it, but, the End Seller didn't want such kind of manner of Mr. Oezay, then the End Seller and the Seller's Tank Farm blocked all communications from Mr. Oezay. Mr. Oezay then complained in the Petrofinder that my End Seller and its Tank Farm are Fake. It is not true at all. I do want to restart the new transaction with you, but preferred directly, and not thru Mr. Oezay. If you would then I will send you the SCO. I am now dealing with another End Seller. To hear from you. Best regards, Hananto Wasisto, Director of Zolotyie Glaza Limited
