COMPANY PROFILE

ASPRA International is the latest Venture of The Mehta Group which was founded way back in 1978 with emphasis on refining all Kinds of Wax and Trading all kinds of Petroleum Products. A company with a background of 40 years experience. A group founded by a visionary of yore Shri. R. M. Mehta (Late). A business firm which truly believes in getting and giving the best always. A person who does not believe in compromise, that is **Mr. Ashish Mehta** the latest in the family tree.

ASPRA International was started by **Mr. Ashish Mehta (Proprietor)** in 2008 with the aim to globalize the Group by diversifying in Exporting and Importing of Waxes, Base Oils, Bitumen, Diesel, Mazut, Jet Fuel, Calcium Grease, Cashew Nuts & all other Petroleum Oils used generally in the Lubrication and Construction Industries and all kinds of Petroleum Products. Correctly identifying the supply gap normally prevalent in the industry, Mr. Ashish Mehta stepped in to break it and provided a platform at which International Manufacturers and Consumers could fulfil their needs.

With the aim to go global and use the latest technology available, **ASPRA International** is quickly servicing the world for quality manufacturers and is in the process of being the number one provider of Petroleum Oils and Petroleum Products.

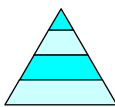

Under the guidance of his father **Shri. Ashok Mehta (Late) - Chairman - M/s. Ratan Galaxy Pvt Ltd (Estd. 1993)** and uncle **Shri. Anil Mehta - Partner - The Mehta Industries (Estd 1978)** towards his goal of bringing the best products of the world to the doorstep of consumers all over.

ASPRA International is India's Leading, Specialized, Professionalized and Reputed International Trading & Importing House with yearly Business Turnover more than **100 Million USD (In Trading Sector Only) & 50 Million USD (In Importing Sector)** and well specialized in dealing with different kinds of products such as **SLACK WAX, PRAFIN WAX, RESIDUE WAX, MATCH WAX.**

Our growing confidence, established International tie-ups and valuable experience has enabled us to satisfy existing clients around the World. **We are looking for End Suppliers Manufacturers who can supply the above products from any part of the world.**
