

Russia is the one of the world's largest energy centers. The Kemerovo region is a special area which has unique reserves of high-quality coals of the widest product choices ranging from brown coal to coking coal and anthracite grades.

The main field of activity of our company is the supply of coal, steam coal and coal products from the Kemerovo region.

We are ready to supply coal products throughout Russia, as well as export the following brands:

Brand	Class	Moisture, %	Ash Content, %	Net Calorific Value, Kcal/kg, not less	Volatile Matter, %
ДР	0-300	up to 18	up to 17	5100	36-42
ДР	0-100	up to 9	up to 8	6500	36-42
ДПК	50-200	up to 15	up to 8	5500	up to 42
ДМСШ	0-25	up to 16	up to 12	5200	up to 41
ДОМСШ	0-50	up to 11	up to 15	5800	up to 33

**Lean Coal is semi-anthracite, hard-to-ignite coal used primarily as fuel for power plants and railway transport.**

Brand	Class	Moisture, %	Ash Content, %	Net Calorific Value, Kcal/kg, not less	Volatile Matter, %
ТОМСШ	0-50	up to 8	up to 18	6100	up to 14
ТР	0-300	up to 7	up to 13	6500	up to 12

**Low-Caking Coal is used mainly in large power plants, in the household sector and industrial boiler houses.**

Brand	Class	Moisture, %	Ash Content, %	Net Calorific Value, Kcal/kg, not less	Volatile Matter, %
СС	0-25	up to 12	up to 13	6100	up to 23

**We also have the possibility to supply Anthracite Coal, which is an excellent fuel with an increased heat output.**

Brand	Class	Moisture, %	Ash Content, %	Net Calorific Value, Kcal/kg, not less	Volatile Matter, %
A	40-70	6	13	6400	up to 6

Currently our company has several direct contracts for the supply of coal with large coal mining enterprises from Kuzbass.

### **Our major suppliers**

metallicheskiy-porcel.ru

All goods sold by us have guaranteed high quality and competitive prices.

Quality of coal at shipment is confirmed by certificates of independent inspection companies SGS, Incolab.

### **How we operate:**

1. Receipt of your request.

We will select the coal of the required quality and in the quantities you need as per your request.

2. Approval of order.
